Project leadership

Ahmet Dursun Çoban

Project lead • self-designated CEO

A one-person, unincorporated project.

A professional biography has not been supplied.

Project contact: orlcoin.00@gmail.com

Milestones and proposed next steps

Completed

Token deployment and source verification
PancakeSwap V3 pool
Official website and wallet purchase flow

Proposed

Establish team and legal disclosures
Plan sustainable liquidity and real token distribution
Seek independent review and exchange due diligence

Risks and official contact

Material risks

Very low liquidity and concentrated supply
No independent audit or legal opinion
Wallet security review remains pending
